

Erikson's Eight Stages of Psychosocial Development Pegword Technique

1. **Bun** (Trust vs. Mistrust) a "rust" colored bun
2. **Shoe** (Autonomy vs. Shame) an "auto" shoved inside of a shoe. The auto is driven by "shane"
3. **Tree** (Initiative vs. Guilt) Shia Leboef, or an Inn are sitting in a tree, which is wrapped with a quilt
4. **Dinosaur** (Industry vs. Inferiority) picture a dinosaur with dust (in"dust"try) sprinkled all over it. The dinosaur feels inferior because of the dust all over it.
5. **Sky dive** (Identity vs. Role Confusion) a skydiver's chute doesn't open and he falls on top of a car denting it. He is also very confused after hitting the car.
6. **Sticks** (Intimacy vs. Isolation) picture two sticks in love and one stick all by himself.
7. **Heaven** (Generativity vs. Stagnation) picture a generator up in heaven that died because it ran out of gas and a male deer (stag) pulling the cord to try to get it started again.
8. **Plate** (Integrity vs. Despair) picture grits and a pear on a plate.
